We appreciate the commitment and dedication your family has shown toward Central Christian Academy. For the sixteenth year in a row, we would like to reward your dedication to us and your family. From now until May 1, 2024 your family may earn credit toward Service Fees due to CCA! Do you know families who have expressed a desire to start home schooling their children or are considering a change in their educational needs? **Central Christian Academy will credit your CCA account \$100 for each new family who subsequently enrolls because of your direct recommendation and a \$50.00 credit to the new family.** This credit is to be used toward Service Fees due to CCA.

Referral Terms and Conditions

- ♦ The referring family must have a student actively enrolled in the academy and return Part A to inform CCA of the referral and to enable the academy to **credit the account \$100**.
- ♦ The new family must include Part B with the CCA Application.
- ♦ The referral credit is to be used by May 1, 2024 and will be applied when the new family enrolls in CCA.
- ♦ If the referral credits equal more than the Service fee due for the 2023-2024 school year, excess credit may not be carried over to the next year or given to another family. No refunds on credits.
- ♦ The credit may not be used for Service Fees previously paid for.
- ♦ There is no limit on the number of families you may refer. Referral credits are given per family and not per student that enrolls.
- ♦ The referral family will be notified in writing of credit received when the referred family completes enrollment with the academy.
- ♦ The referred families must apply within 90 days and before May 1, 2024 of CCA's receipt of Part A.
- ♦ The referred/applying family will receive a **\$50** credit upon enrolling in CCA to be used toward their 2nd quarter's service fee when including Part B with the application.
